# CEBU TENPIN BOWLING ASSOCIATION - CETBA

as of: **March 28, 2026**

## New Handicap Guidelines:

1 **General Notes:**
Handicap rules are designed to equalize competition among bowlers of varying skill levels.

2 **Standard Formula**
The standard formula in accordance with USBC Rules shall be applied:
Formula: **Handicap = (Base Score - Bowler's Average) x Percentage.**

3 **Base Score**:
The **base score is 190**, based on the current highest average among CETBA bowlers (182).
Bowlers with average higher than this base score shall have zero (0) handicap - no negative handicapping.

4 **Percentage**:
A handicap percentage of **80%** shall be used to maintain fair competition.
This allows lower-average bowlers to remain competitive while still rewarding bowlers who improve their performance.

5 **Bowler's Average**
Bowler's scratch average based on at least 12 games, upto the latest 50 games, updated weekly.

6 **Anti-Sandbagging Rule**
Any game score that is more than 30 pins below the bowler's average shall be recorded as (**Bowler's Average minus 30 pins**)
Maximum drop allowed = 30 pins only.

**Sample:**

| Bowler's average is: **180** | | | |
|---|---|---|---|
| Game | Score | Record for Handicap | |
| Game 1 | 190 | 190 | Minimum Score for handicap: **180-30 = 150** |
| Game 2 | 150 | 150 | |
| Game 3 | 149 | 150 | |
| Game 4 | 151 | 151 | |

Note: Average is round down to 0 digit.

8 **New or Unverified Bowler Initital Average**
Bowler without an official recorded average with CETBA will have a starting average of 160 for both Male and Female.
Bowlers who are affiliated to other organization shall be verified in the following order of preference:
1) NBT Record
2) PBF Record
3) Bowler's Association Record
If no verifiable average can be provided, the bowler shall bowl a minimum of 12 games to establish an initial average.
During this period, a temporary average of 160 for both Male and female shall be used for handicap computation.
League officers reserves the right to adjust the declared or temporary average if the bowler's performance clearly indicates a higher playing ability.

9 **No Handicap Adjustment**
This handicap system is strictly performance-based (No age, gender or extra bonus)
