

CETBA TENNIS BOWLING ASSOCIATION - CETBA

NEW PLAYERS GUIDELINES:

- 1. General Note: Bowlers must be assigned to equate competition among bowlers of varying skill levels.
- 2. Standard Formula: The standard formula is associated with USBC Rules that is applied.
- 3. Base Score: Formula: Handicap + (Base Score - Bowler's Average) x Percentage.

The base score is 160. Based on the current highest average among CGTBA bowlers (160). Bowlers with averages higher than this base score shall have 0% handicap. (No negative handicapping).

Percentage: A handicap percentage of 80% shall be used to maintain fair competition.

Bowler's Average: Bowlers will remain competitive when they consistently bowl higher than their performance.

Anti-Handicapping Rule: Any bowler who is more than 30 pins below the bowler's average shall be recorded as (Bowler's Average minus 30 pins). Maximum drop allowed = 30 pins only.

Handicap: Bowler's average is 160.

Category	Handicap	Minimum Score For Handicap
Category 1	160	160
Category 2	150	150
Category 3	140	140
Category 4	130	130

Handicap is recorded on a 1-100 scale.

New or Unverified Bowler Initial Average: Bowler without an official recorded average with CETBA will have a starting average of 160 for both Male and Female.

Bowlers who are affiliated to other organizations shall be verified in the following order of preference:

- 1) USBC Record
- 2) PBA Record
- 3) PBAF Record

If an affiliate average can be provided, the bowler shall not be a minimum of 10 games to establish an initial average.

During this period, a temporary average of 160 for both Male and Female shall be used for handicapping computation.

League officials reserve the right to adjust the bowler's total or temporary average if the bowler's performance clearly indicates a higher playing ability.

No Handicap Adjustment: No Handicap Adjustment.

This handicap system is a strictly performance-based (Pin Avg, gender or extra bonus).

Pin Score	Handicap
160	0
150	10
140	20
130	30
120	40
