

CETBA TEN PIN BOWLING ASSOCIATION - CETBA
as of 10/23/2024

- New Handicap Guidelines:**
 1 **General Rules:**
 Bowlers are assigned to equate competition among bowlers of varying skill levels.
 2 **Standard Formula:**
 The standard formula in accordance with USBC Rules shall be applied.
 Formula: **Handicap = (Bowler Score - Bowler's Average) x Percentage.**
 3 **Bow Score:**
 The bowler score is 150, based on the current highest average among CETBA bowlers (180).
 Bowlers with average higher than this base score shall have zero handicap - no negative handicapping.
 4 **Percentage:**
 A handicap percentage of 80% shall be used to maintain fair competition.
 This allows lower average bowlers to remain competitive while still rewarding bowlers who improve their performance.
 5 **Bowler's Average:**
 Bowlers' scratch average based on at least 12 games, unless the league 50 games, updated weekly.
 6 **Anti-Dumping Rule:**
 Any game score that is more than 30 pins below the bowler's average shall be recoded as a bowler's Average minus 30 pins.
 Maximum they allowed = 30 pins only.

- Example:**
- | Handicap | Bowler's Score | Handicap | Minimum Score For Handicapping |
|----------|----------------|----------|--------------------------------|
| 150 | 150 | 0 | 150 |

- New or Unverified Bowler Initial Average:**
 Bowler without an official recorded average with CETBA will have a starting average of 160 for both Male and Female.
 Bowlers who are affiliated to other organization shall be verified in the following order of preference:
 1) NET Record
 2) PBA Record
 3) Bowler's Association Record

If no verified average can be provided, the bowler shall bowl a minimum of 12 games to establish an initial average.
 During the period, a temporary average of 160 for both Male and Female shall be used for handicapping computation.

League officers reserve the right to adjust the declared or temporary average if the bowler's performance clearly indicates a higher playing ability.

No Handicap Adjustment:
 This handicap system is strictly performance-based (No age, gender or extra bonus).
